TRANSFERRING TOKENS BETWEEN WALLETS

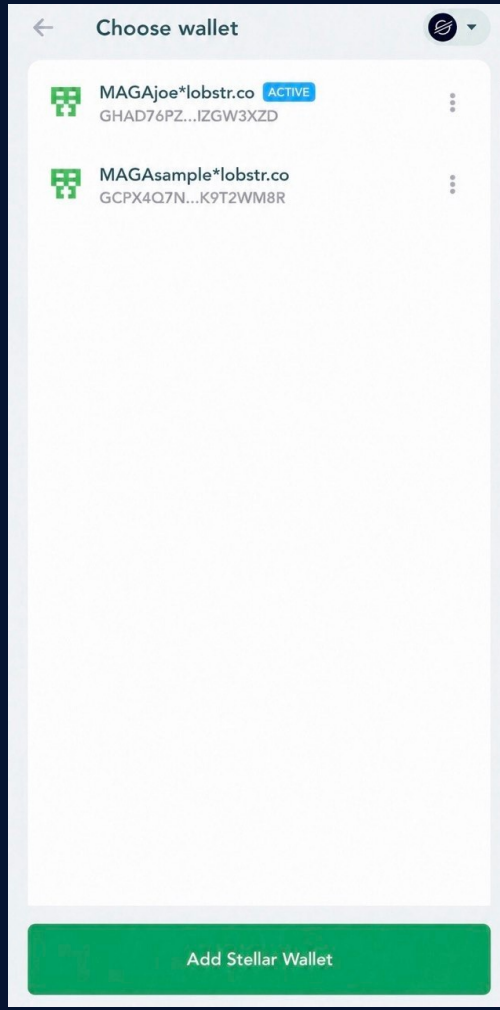

Transferring Tokens Between Wallets

Step 1. Click on “Send” in the main menu, then in the Recipient box, type in your federation address where you are sending tokens

Congratulations

Great job! You've now learned the difference between adding an additional wallet to your account vs creating a new Lobstr account

We have walked through how to add a new wallet to an existing account Lobstr Account, document your new wallet Secret Key, set the Federation Address for your new wallet and transfer tokens between wallets

Keep going; practice makes perfect!
