GENERAL ACCOUNT SETTINGS

General Account Settings – Name

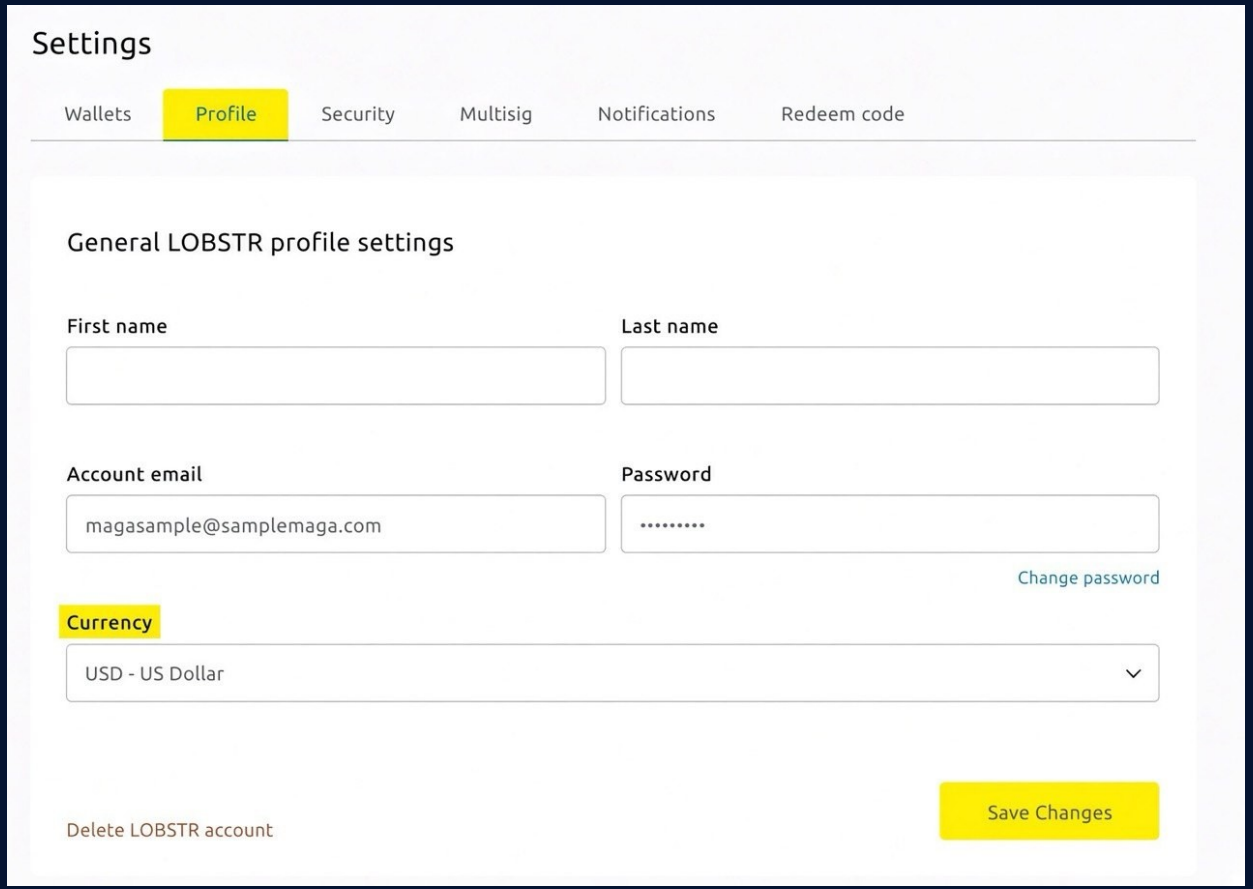

Step 1. In the menu Click on “Settings”

Step 2. Click “Profile” in the top menu, update your “First name” and “Last name”, click “Save Changes”

General Account Settings – Currency

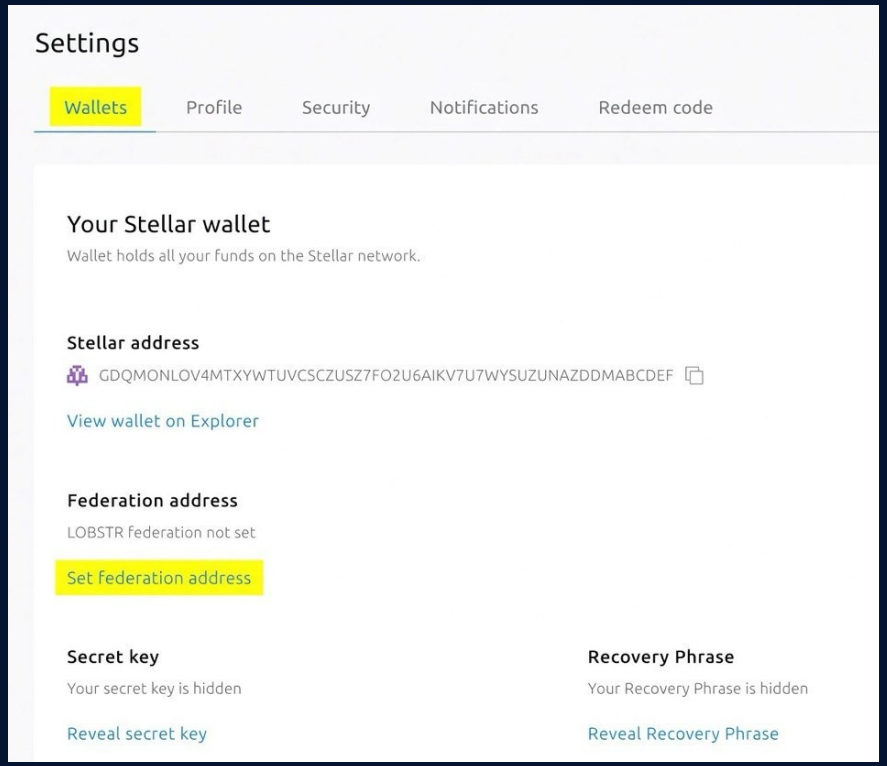

Step 1. Click “Profile“, then in the currency box, click the drop down arrow, select your preferred currency.
Click, “Save changes”

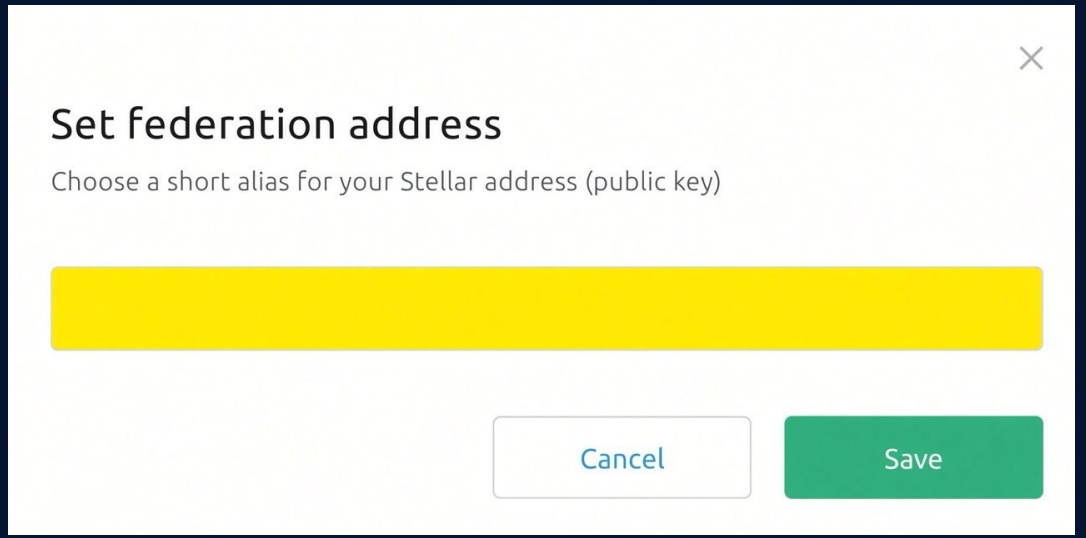

CREATING A FEDERATION ADDRESS

Creating a Federation address

Step 1. In the menu click “Settings”, in the top menu Click “Wallets”. Go down to “Federation address”. Click “Set federation address”

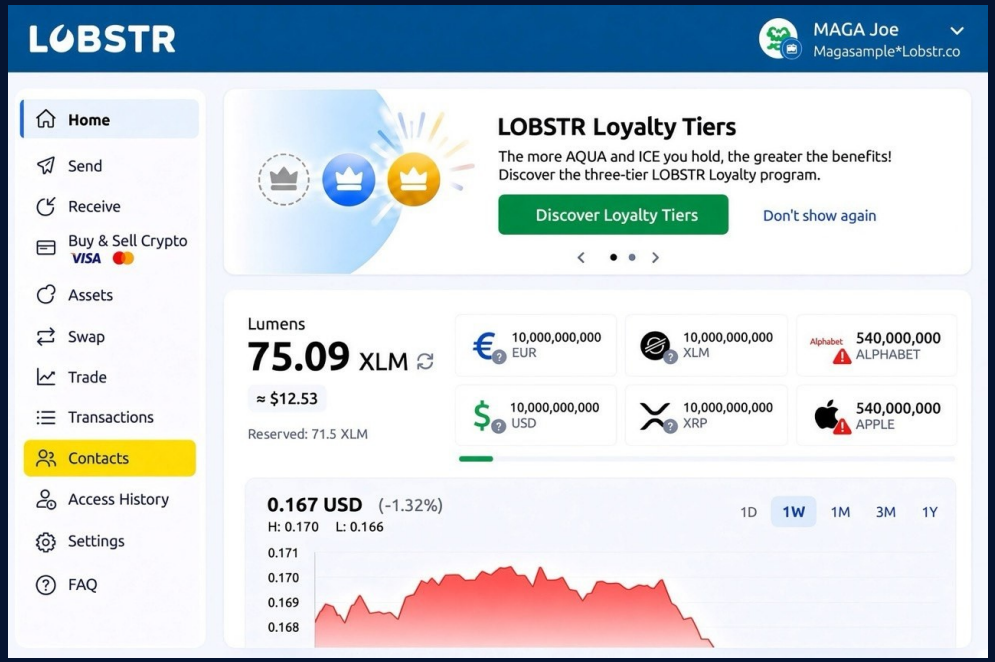

Step 2. Type in your federation address and click “save”. If the name is taken, you will not be able to use it. If this is the case, enter another name.

MANAGING CONTACTS – ADDING, EDITING AND REMOVING

Managing Contacts – Adding a Contact

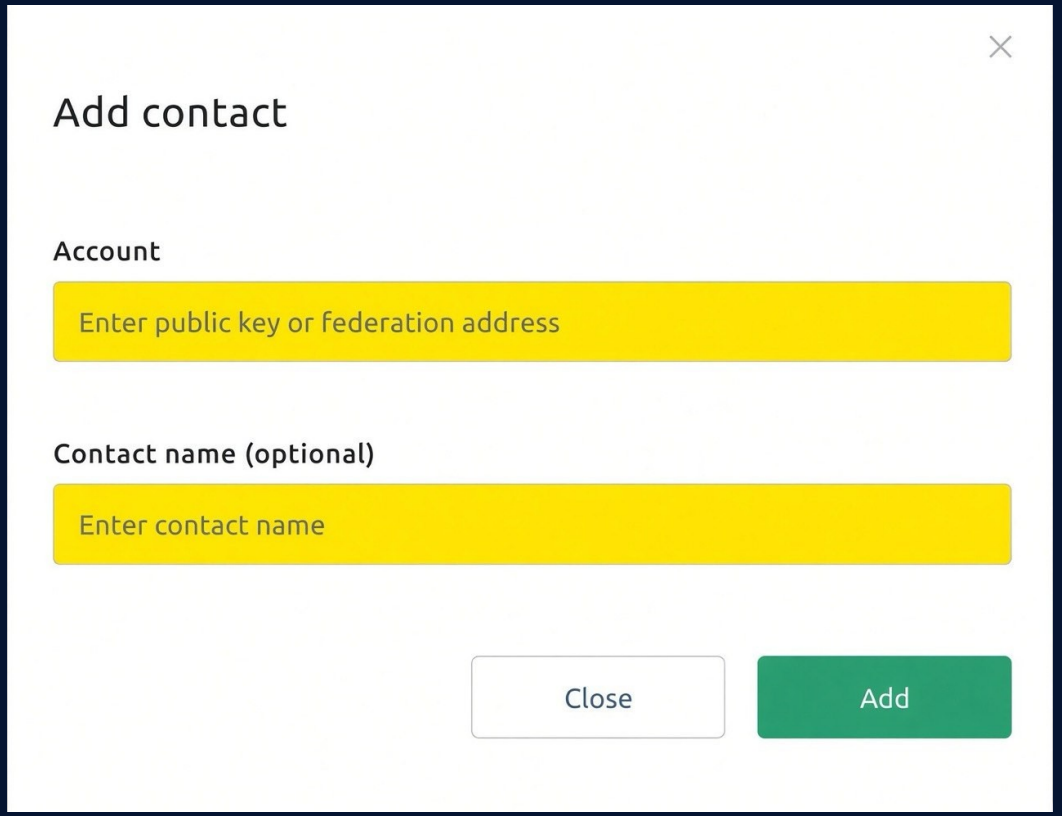

Step 1. In the menu click “Contacts”

Step 2. On the top right click “Add Contact”.

Cont. Managing Contacts – Adding a Contact

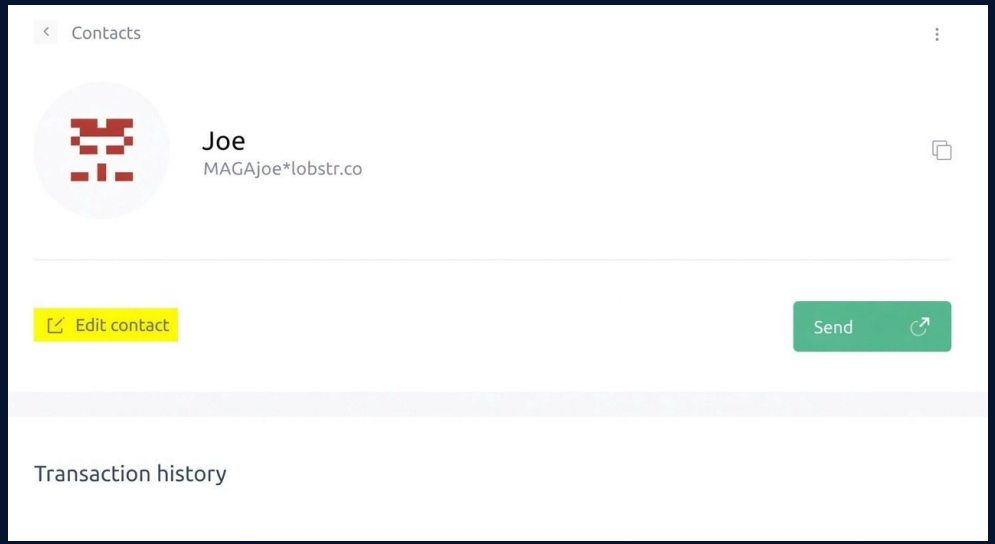

Step 3. On the next screen, Paste their public Stellar Address which starts with a “G” or type their Federation Address. Then type their Contact name. Now click, “Add”.

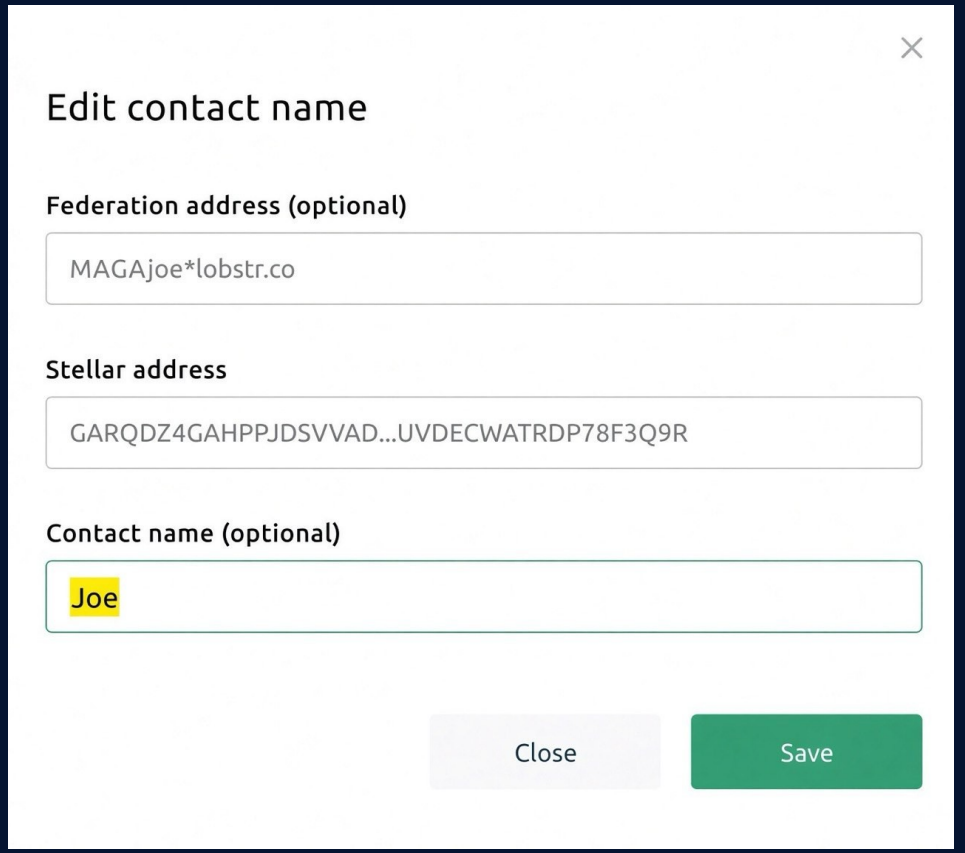

Managing Contacts - Editing a Contact

Step 1. Click on the contact you want to edit

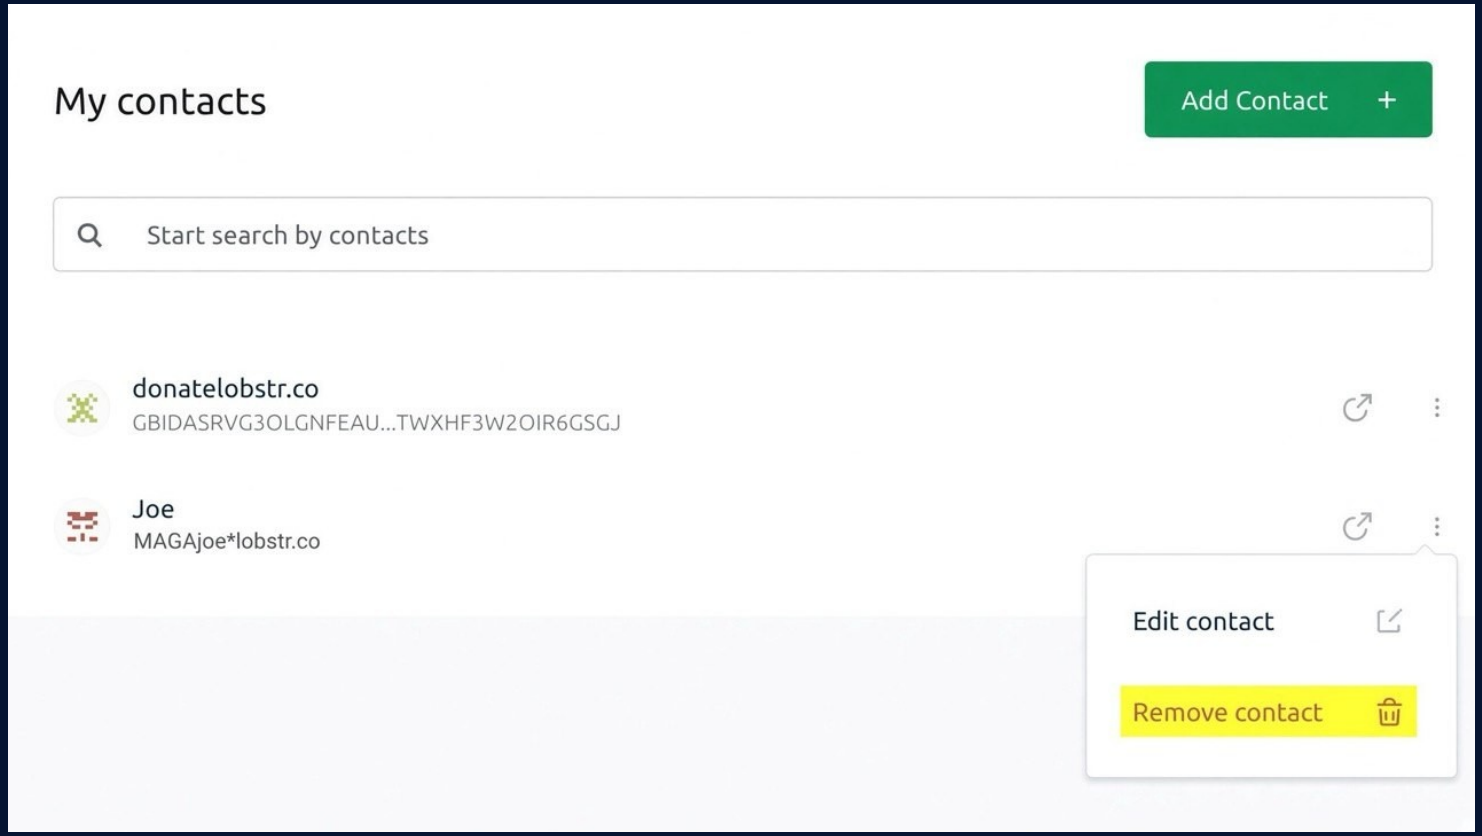

Step 2. Click on “Edit Contact”

Step 3. Type in the Contact name section change the contact details and click “Save”

Cont. Managing Contacts – Removing a Contact

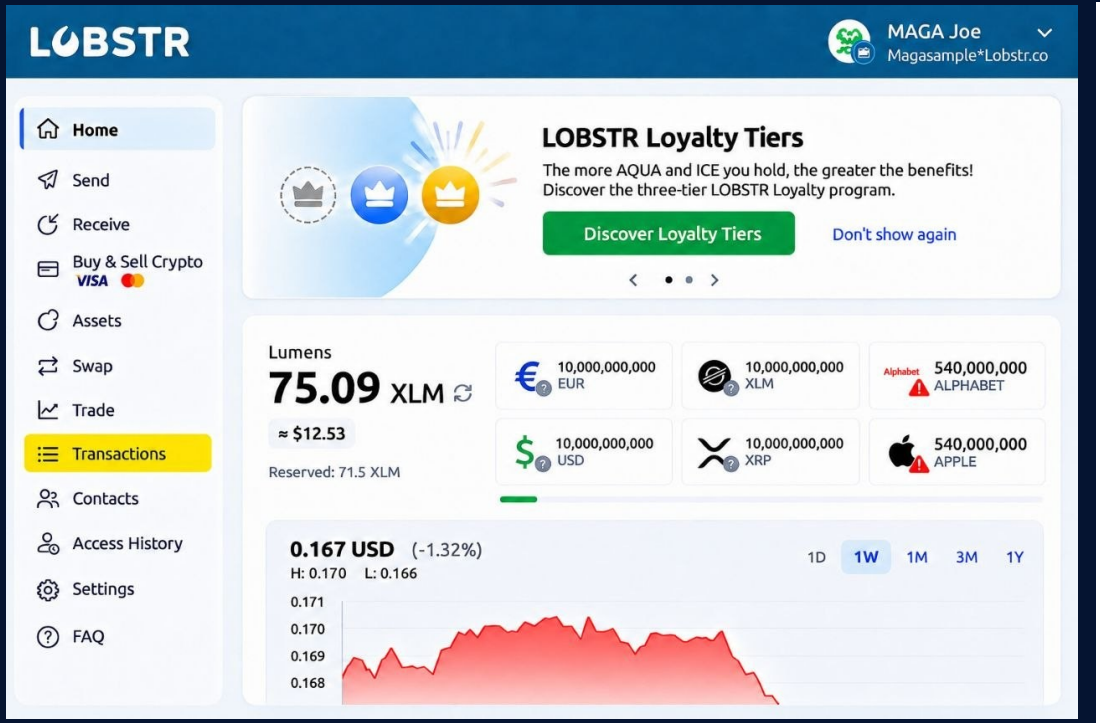

Step 1. Click the contact you choose to remove, Click the three dots to the right of the contact, and a small pop up box will appear. Click “Remove contact”

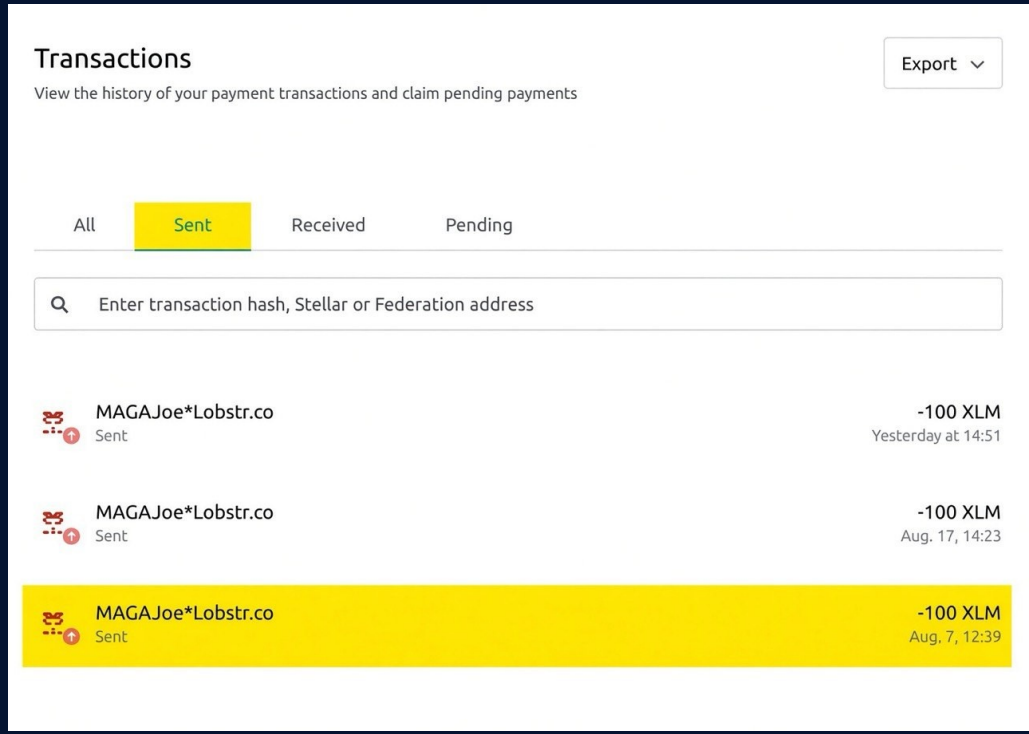

MANAGING A CONTACT AFTER A TRANSACTION

Managing a Contact After a Transaction

Step 1. In the menu, Click on “Transactions”

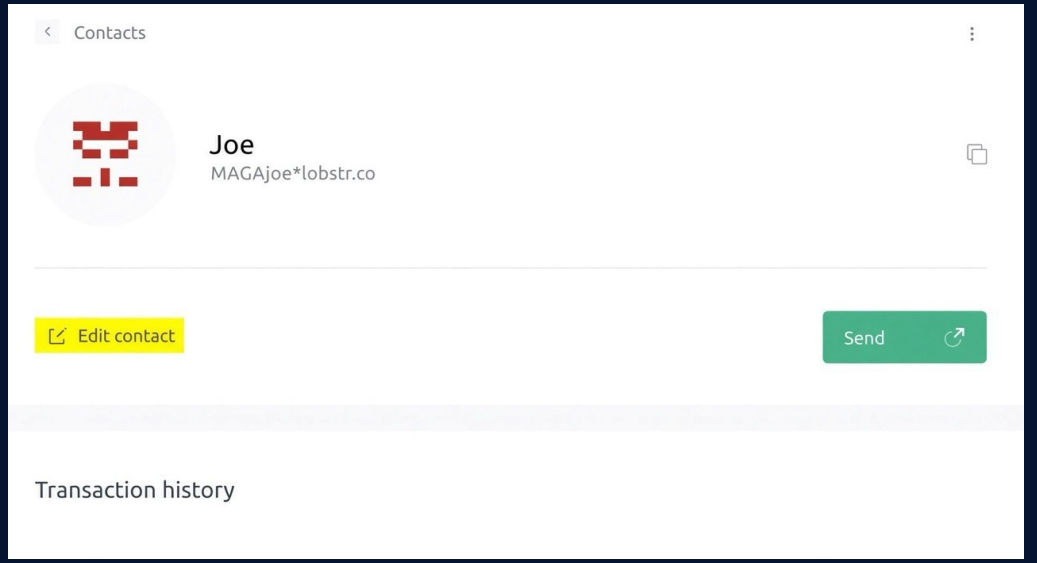

Step 2. Click on “Sent”, from the top menu, then click on an individual transaction.

Cont. Managing a Contact After a Transaction

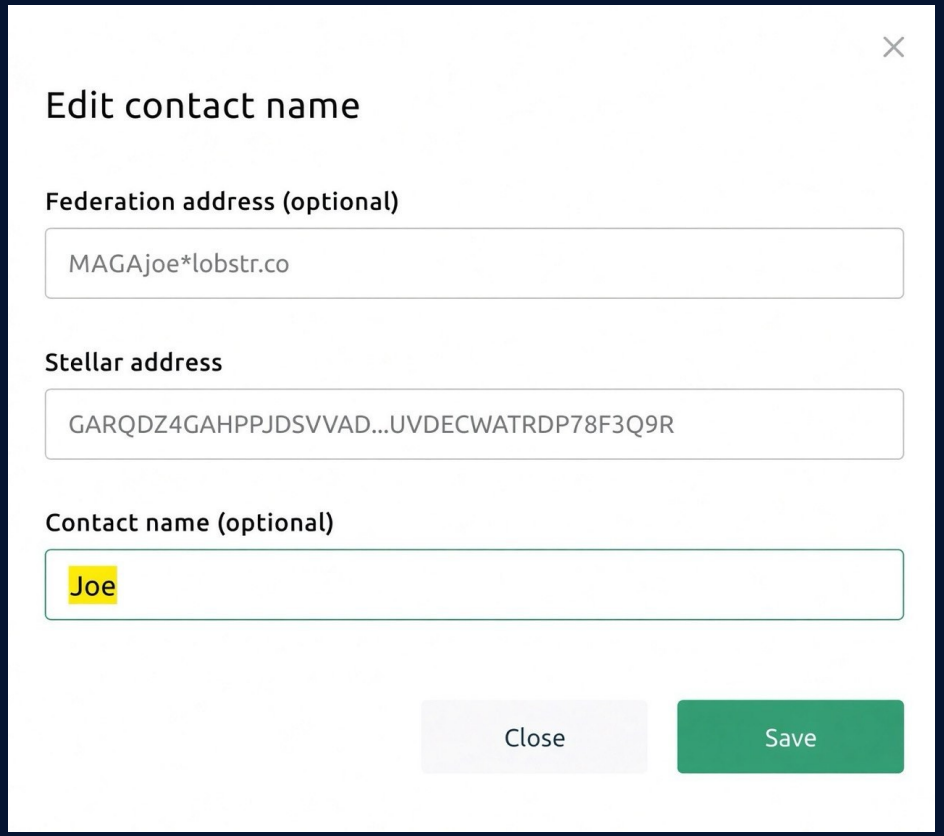

Step 3. An individual transaction will pop up. In the “Sent to section” Click on the Blue federation address.

Step 4. Then click “Edit contact”

Cont. Managing a Contact After a Transaction

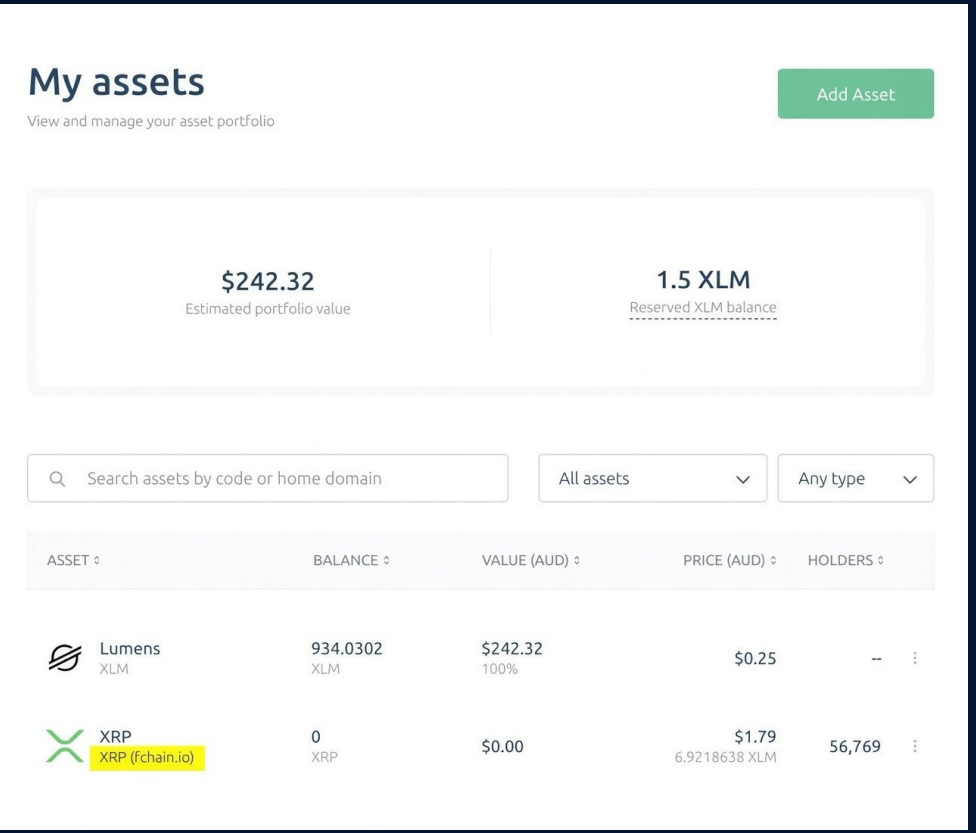

Step 5. Type in the Contact name section, and change the contact details, then click, “Save”

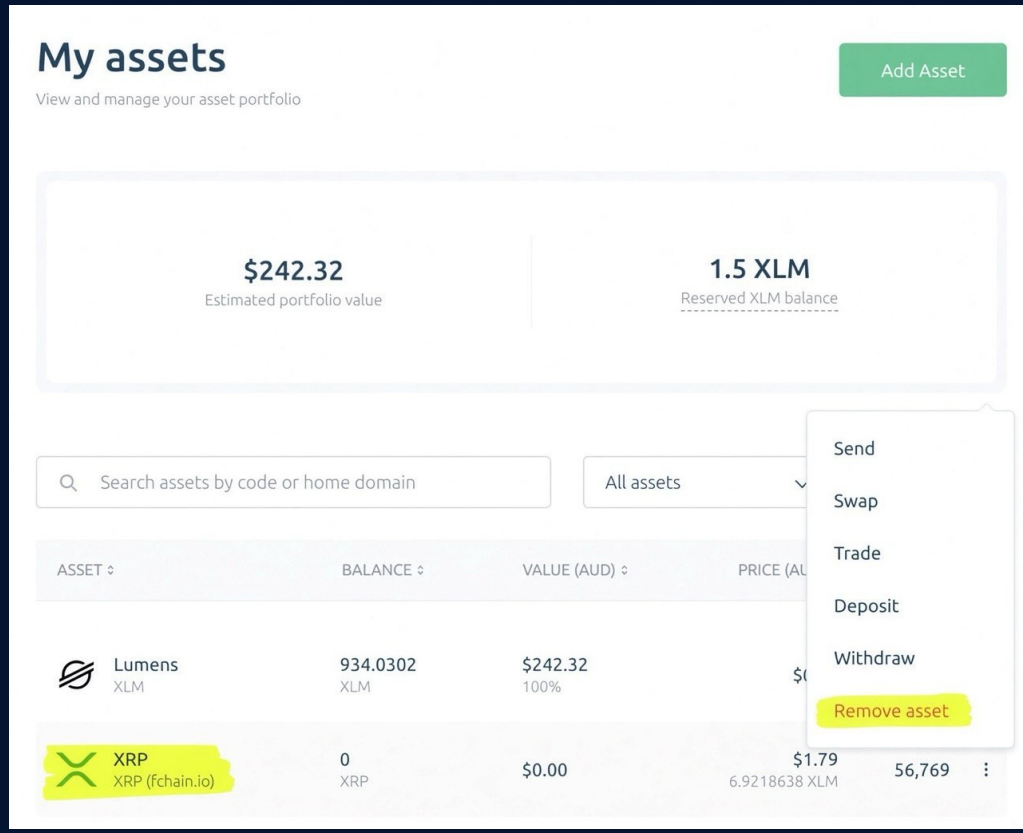

REMOVING AN ASSET/TRUSTLINE

Removing an Asset/Trustline

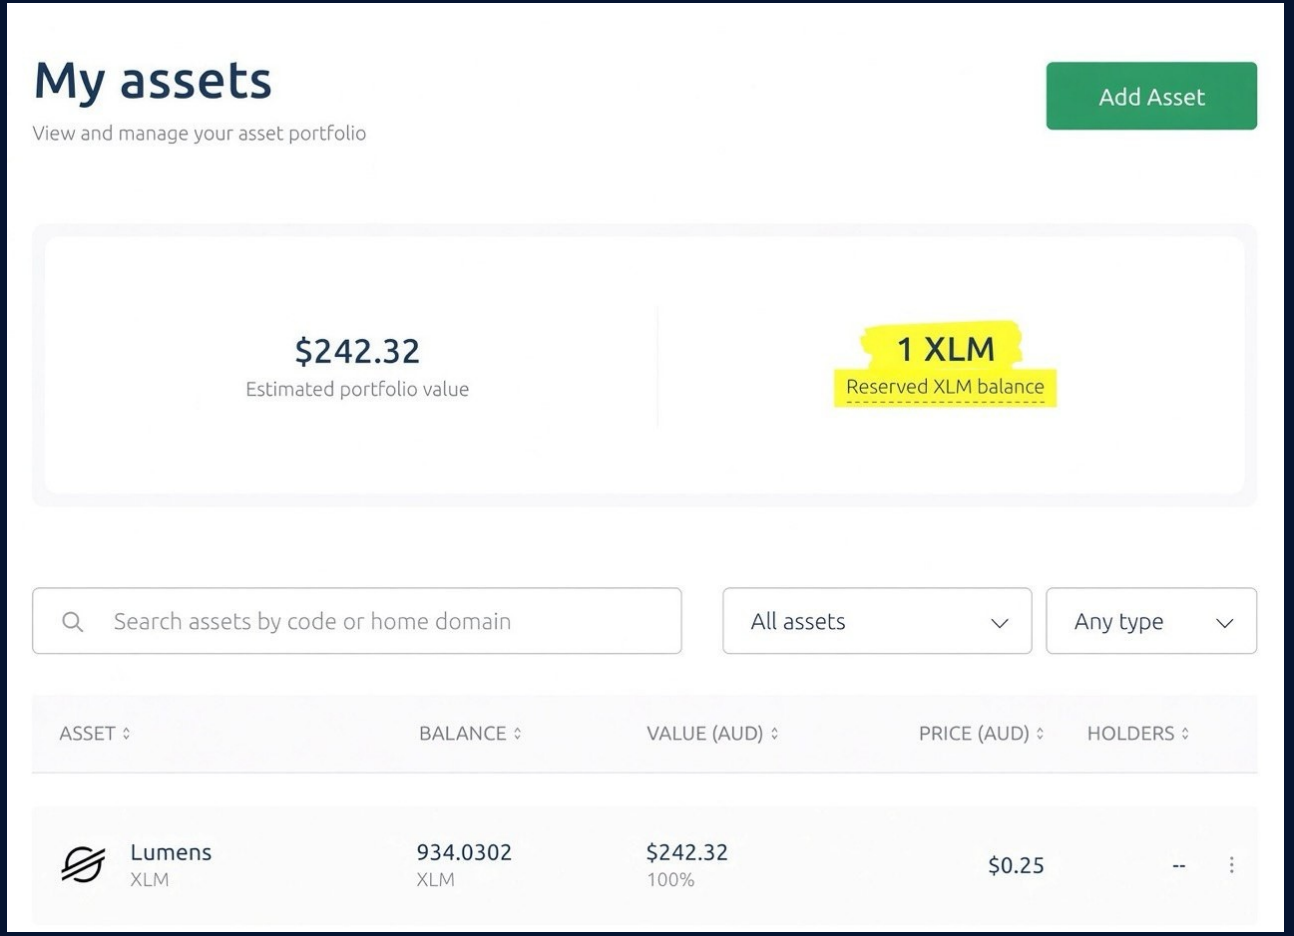

Step 1. Select an Asset with zero value

Step 2. Click the 3 dots to the right of the asset. A small pop up box will appear. Click Remove asset.

Cont. Removing an Asset/Trustline

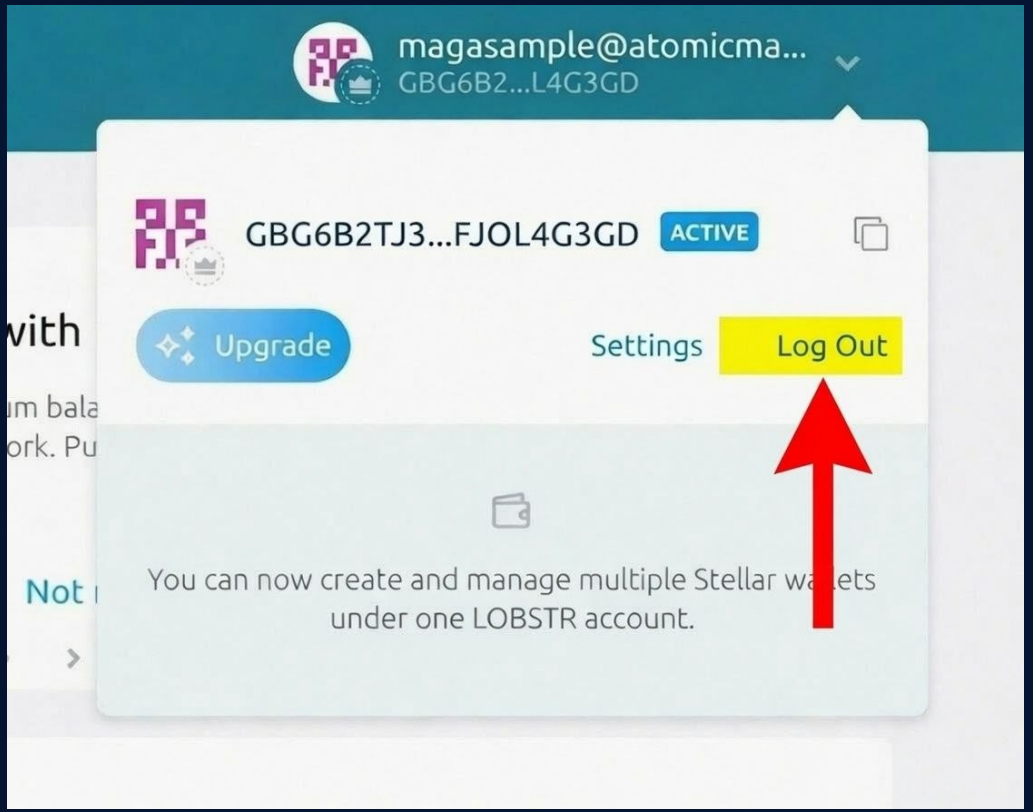

Step 3. Your “XLM Reserved balance” has reduced by 0.5 XLM. Now you have 0.5 XLM more in your wallet available

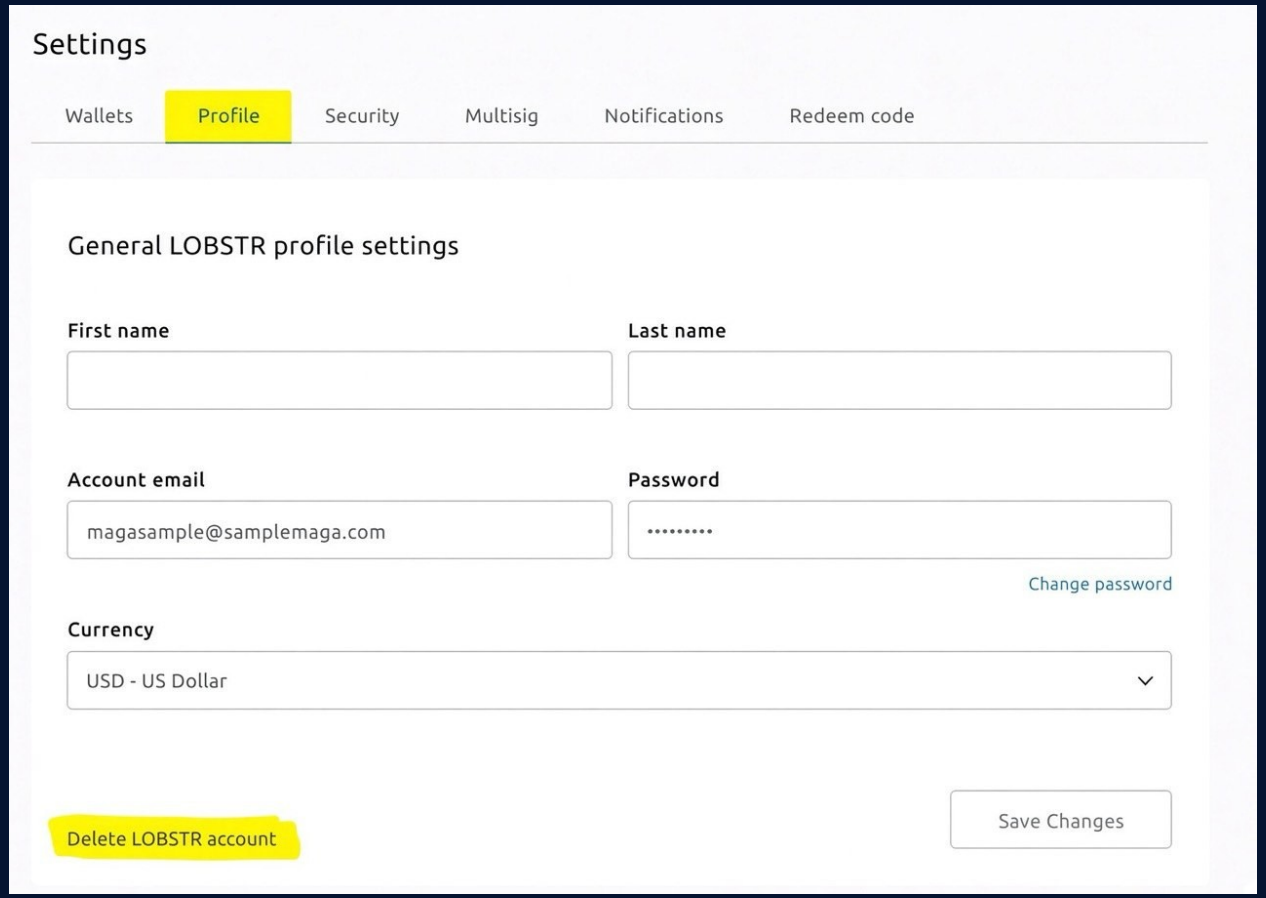

ACCOUNT EXIT OR DELETION

Account Log out

Step 1. Click on your username at the top right of your screen, click Log out.

Account Deletion

Step 1. In the menu click “Settings”. In the top menu click “Profile”, then down at the bottom left click “Delete LOBSTR account”

Congratulations

Great job! You've now learned how to make changes within settings: add, edit and delete contacts, save contacts after viewing transactions. You have also learned how to remove a trustline with a zero balance, log out of your wallet, and delete an account on the rare occasion this is required.

Keep going; practice makes perfect!
