Step 3. Then the token will appear in Pending. You can now tap on it and claim the token.

Ensure you have at least 0.5 XLM available in your wallet for the trustline, to be able to claim the token.

*** Note – Never Claim Unofficial Tokens in Pending**

Congratulations

Great job! You've now learned how to trade using both limit and swap orders. You can also review active orders and check your transaction history.

Keep going: practice makes perfect, so start small while you're learning!
