Wallet Set Up On Your Computer

Instructions:

Our recommendation, before setting up your wallet, is to watch the full video through first.

Follow step by step as each page shows you where to click and what to type.

Ensure you have a pen and paper to write down the following:

1. Your email address
2. Your password
3. Your Recovery Phrase
4. Your Stellar Secret Key

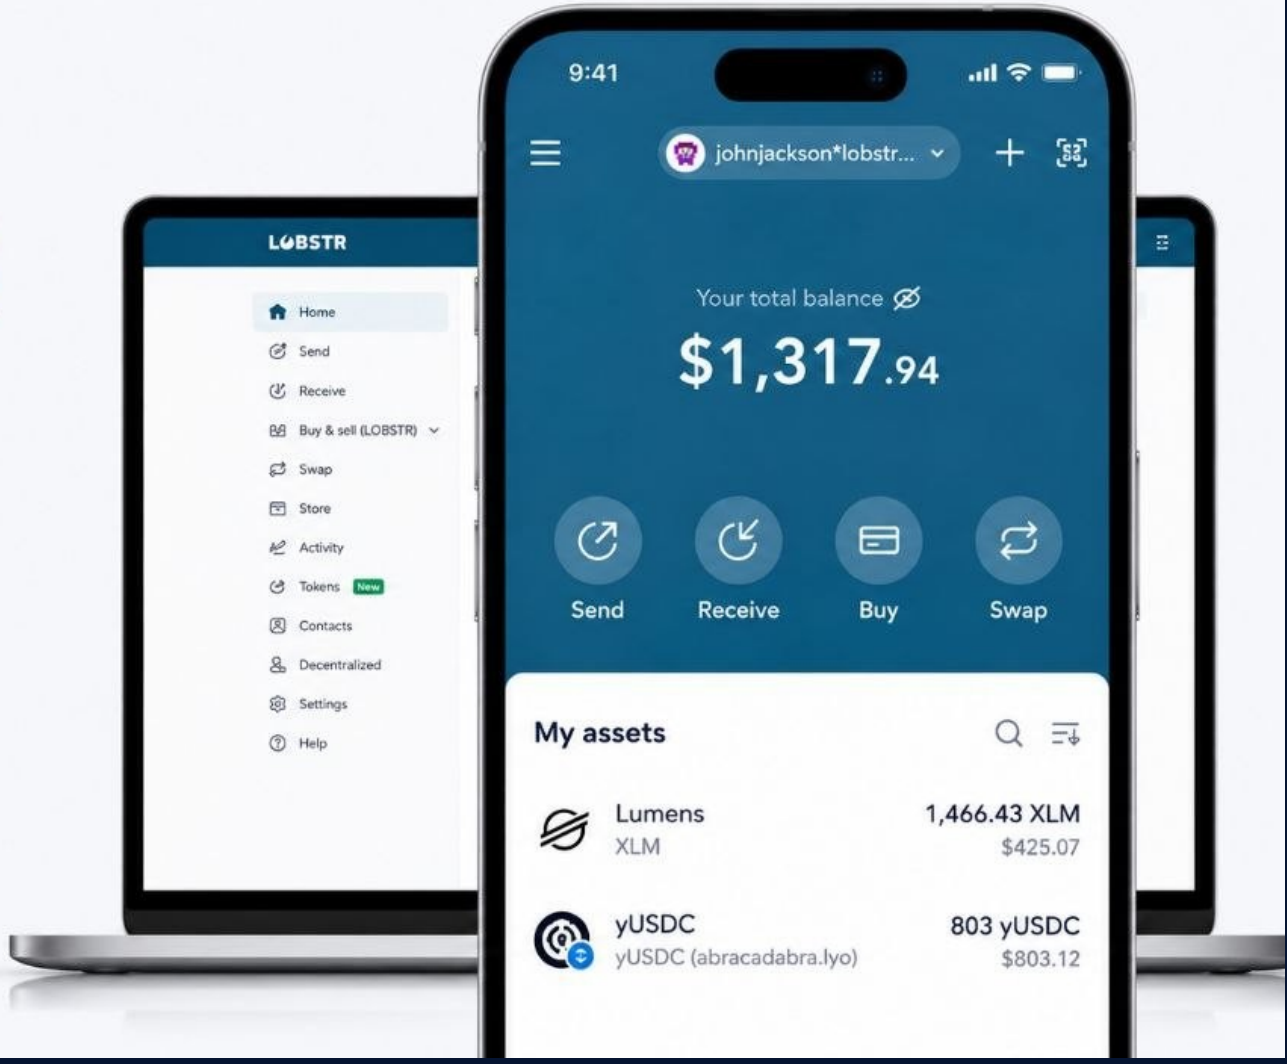

*** Remember to store in a safe and private location**

LOBSTR

Simple. Secure. Stellar.

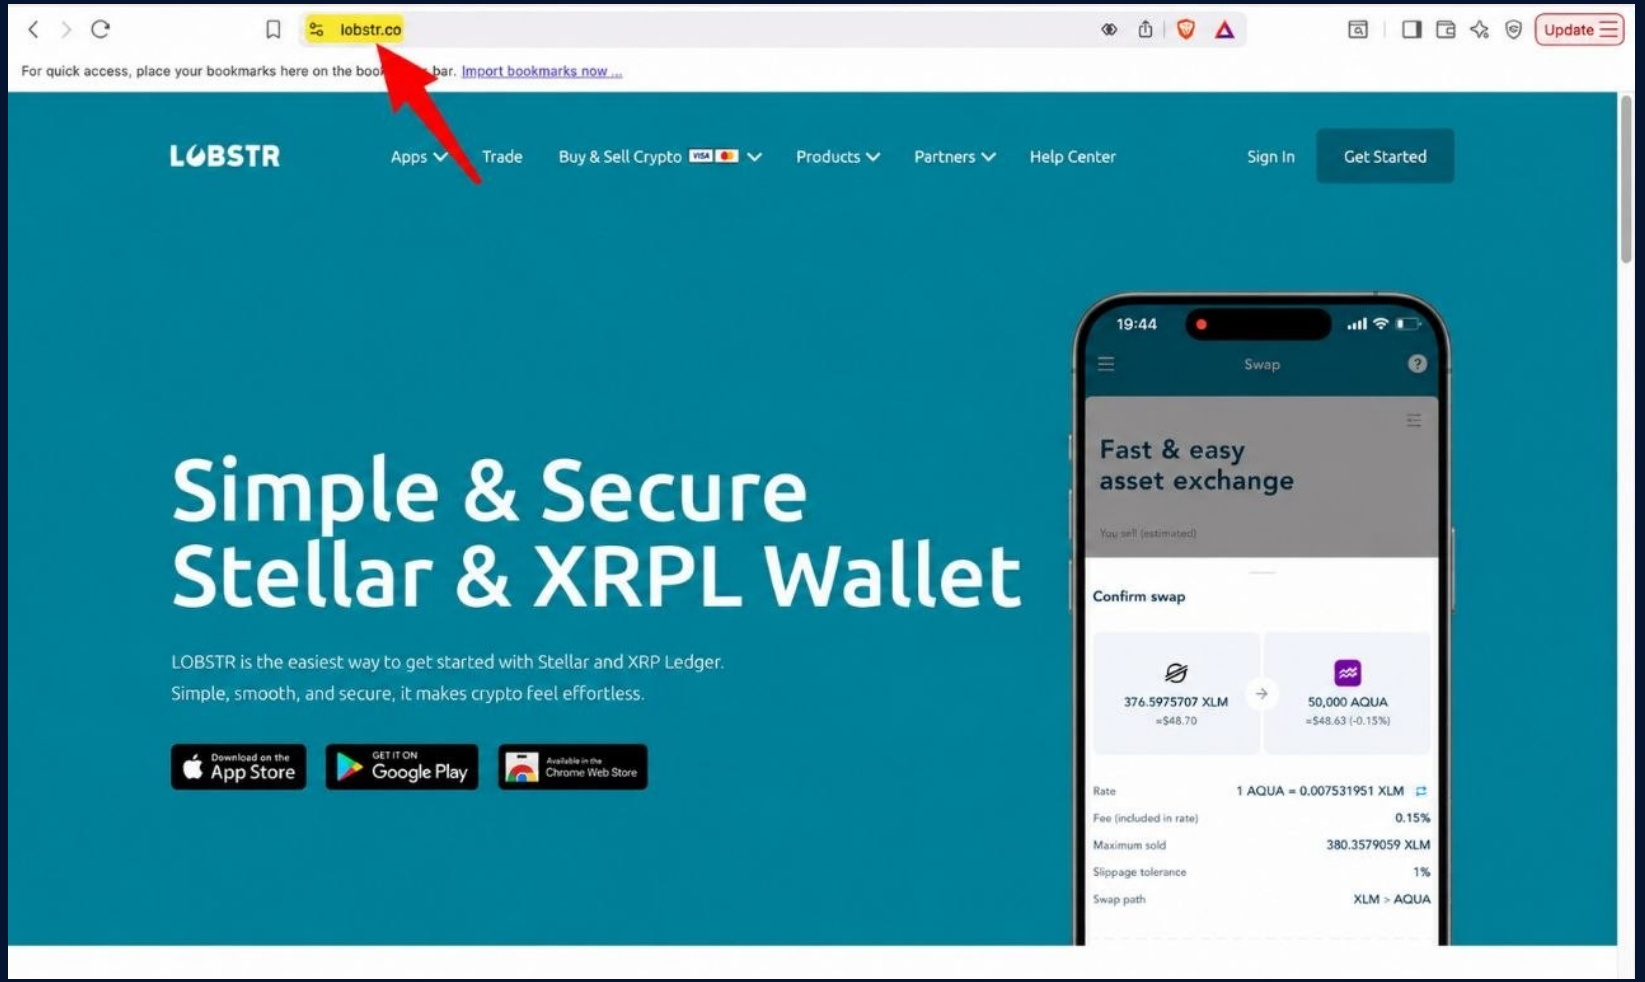

Send, receive and manage your Stellar assets with ease.

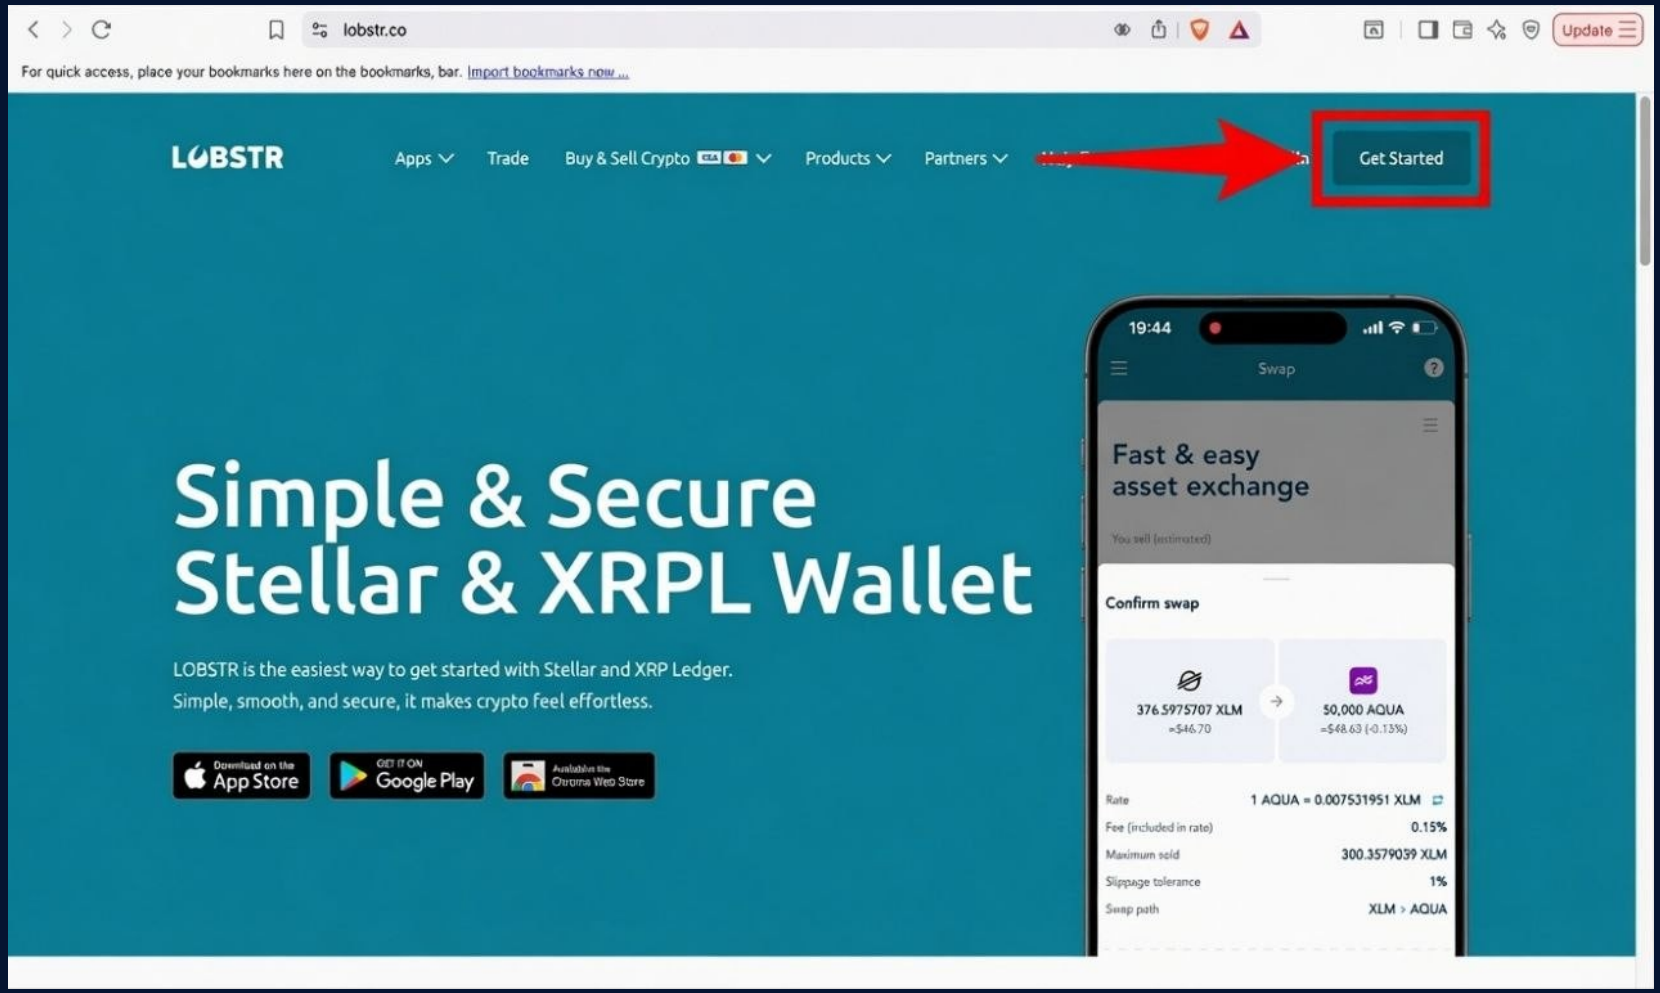

FINDING THE RIGHT WEBSITE

Finding the Right Website

Step 1. Type “lobstr.co” in the Computer Browser

Cont. Finding the Right Website

Step 2. Click “Get started”

PASSWORD AND THE GOLDEN RULES

Golden Rules

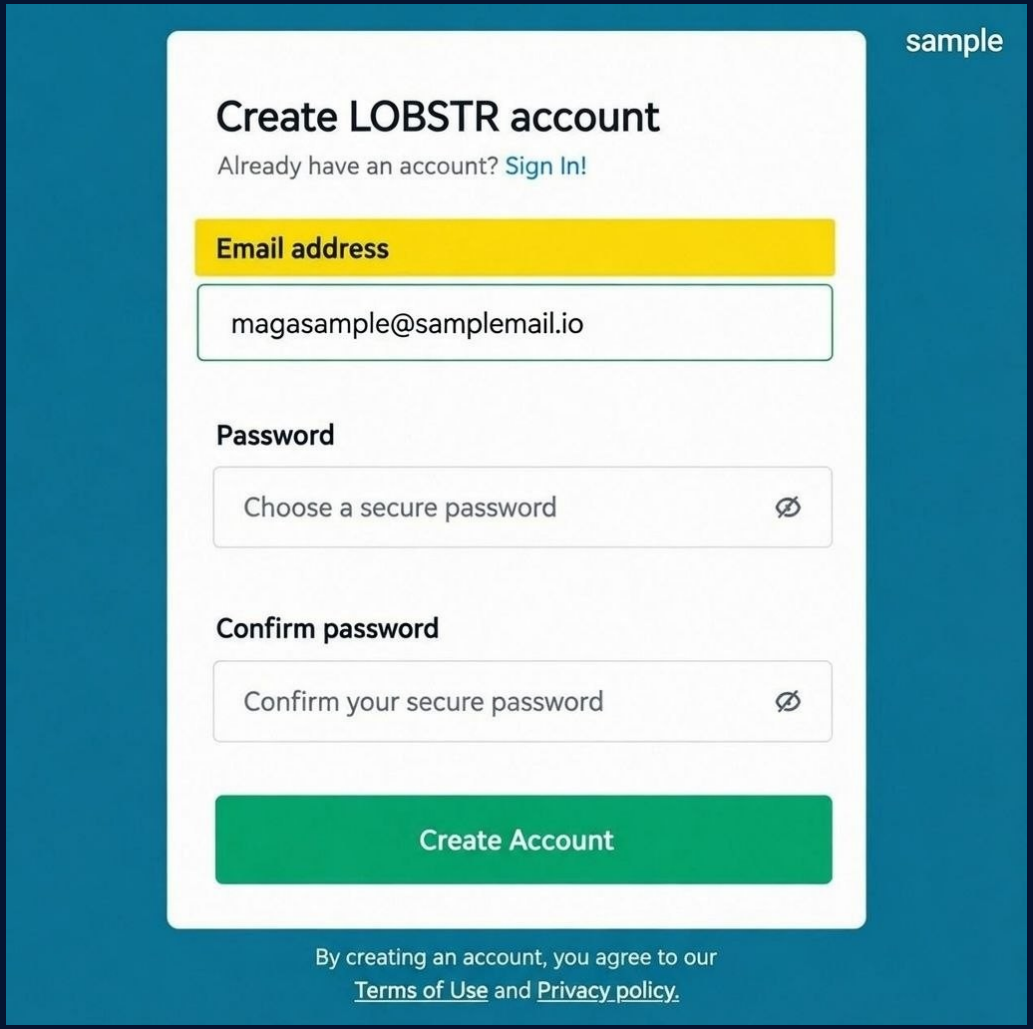

- Rule number one:
- Never let your web browser automatically save your password.
- If a pop-up asks "Save Password?", always click "No."

- Rule number two:
- Never auto-fill your password.

- Rule number three:
- Never walk away from your computer while your LOBSTR wallet is open in your browser. **If you step away, even for a glass of water, log out first.**
